Kids in the Twin Cities will get the chance to experience Japanese culture this summer, thanks to several grants given to the Children's Discovery Museum.

The museum received \$14,000 from the Freeman Foundation and the Illinois Prairie Community Foundation. The money will bring programming to support the *Hello, Japan!* traveling exhibit this summer. There will be traditional drummers and harpists, and sword fighting demonstrations at the opening and closing ceremonies.

The exhibit runs from June 24 to September 11.
